8. Frequently Asked Questions

Do you do same-day delivery?

Yes — for orders placed before 2 PM, within 10 miles of the shop. After 2 PM we schedule for the next available day.

Can I order flowers for tomorrow morning?

Our earliest delivery window is 11 AM. We don't offer pre-11 AM delivery.

Do you do weddings?

Yes — but our events team handles those. I'll take your name and number and have someone call you back within 1 business day.

How long do the flowers last?

Most bouquets last 5–7 days with proper care. Roses 4–6 days, sunflowers up to 10 days.

Can I send flowers anonymously?

Yes — we'll leave the sender's name off the card. We still need the sender's contact info on file for the order.

Do you ship out of state?

No — we only deliver locally within 10 miles. For out-of-state, we recommend a national florist.
